## SEGMENT HIGHLIGHTS

## TILE - REVENUES

Q4 Tile sales were down 10.2\% YoY. If we exclude China and Iran where we consciously curtailed production during the year and the current issue we are facing in India, sales declined $4.3 \%$ YoY.

Q4 Tile sales in UAE and KSA, our two largest markets rose $5.4 \%$ and $17.4 \%$ respectively. Strong result in KSA reflects our efforts in the past year to improve our distribution and we are regaining lost share.

Sales in MENA continue to be weak and fell $39.6 \%$ YoY IN Q4/15 on a mix of currency weakness and geopolitical issues in the region.

## TILE - MARGINS

Q4/15 Tile margins fell 470ps QoQ but were up 230bps YoY.

Results demonstrate raw material procurement, transportation and packaging savings and favorable LPG costs in India. Consolidated results still reflect ongoing losses (though lower YoY) from the China operations and startup expenses at the Iran plant.

On a country basis, Q4/15 Tile Gross margins were 200 bps lower in the UAE to 25.4\% while they rose 290bps in Bangladesh to $37.2 \%$ and 390bps in India to 19.9\%.

## SANITARYWARE - REVENUES

Sanitaryware sales fell 3.0\% YoY in Q4/15. A very strong performance in the UAE (+15.1\% YoY) and Bangladesh (+13.8\%) was offset by $37 \%$ decline in sales in India and 41\% decline in KSA.

Indian sales performance continues to be affected by brand perception after the quality issues that surfaced in Q1/15. We continue to think performance in India will improve after Q2/16. ASPs in India Sanitaryware have already stabilized QoQ.

## TABLEWARE

## Revenues

Q4/15 revenues came in at AED38mn. Excluding the impact of the acquisition of further 20\% stake in RAK Europe (we now own 91\%), revenues were stable QoQ and YoY.

A number of product ranges were introduced in Q4/15 including a new line of utensils and we are confident of solid growth for tableware in 2016.

## Margins

Margins decline in Q4/15 reflects continued pressure from the lower Euro and the lower margins at RAK Europe (Distribution business).

## NON CORE

Non Core revenues in Q4/15 rose $23.1 \%$ QoQ and $10.1 \%$ YoY. Higher revenues for the quarter and year largely reflect higher contribution from Electrogroup, our MEP business.

2015 non core revenues reflect a lower contribution from RAK logistics of AED120mn vs. AED155mn in 2014.

During the first 9 months of 2015, we sold 8 non core assets (RAK Pharma, Moshfly, RAK townhouses, Laticrete, RAK piling, 39\% of RAK Watertech, AI Hamra Aluminum and RAK Gypsum) for AED95mn. In Q4/15, an agreement to sell RAK Logistics for AED16mn was reached and the unit will no longer be consolidated starting 2016.

Non Core revenues

## NON CORE MARGINS

Non Core Margins witnessed a substantial turnaround in their profitability in 2015 with non core EBITDA margin increasing from $13.5 \%$ to $35.6 \%$.
Turnaround was driven by a reversal of profitability at ElectroGroup and improved profitability at AHCC, our construction unit as the current rough grading work being performed by AHCC ramps up.

## Improvement in Other

Consolidated results from better performance at Kludi RAK our taps and faucets JV and RAK Warehouse leasing. Results also reflect sale of RAK Paints Bangladesh during the year which was loss making.
