

Insider Trading Committee Tasks:

The Insider Trading Committee's primary functions are:-

1. Prepare a special and complete register for all Insiders
2. Supervision of insiders' trading and their ownership.
3. Conservation of official acknowledgment from the Company Insiders about the company internal information.
4. Inform all the insiders about the regulations and legal responsibility through signing the official acknowledgement.
5. Inform the insiders about the prohibited period.
6. Notify SCA and the market of an update list of insiders.
7. Submit a copy of the insiders register to the authority upon request.
8. Comply with any other requirements specified by the authority.
